- **3 laser treatments** (6 may be needed)

As low as \$650 per cycle!

**We also offer the coolsculpting CoolMini™ that eliminates fat under your chin.**

**And the Cool Advantage: Treat more tissue is less time with less discomfort.**

**Add a Z Wave treatment for \$50 per area**

The Z Wave replaces the manual massage immediately after treatment and ramps up the results by forcing the treated fat cells to break up more quickly.

## Skin Tightening

**Thermage Smooth, tighten, and contour.**

Face, neck, eyes, body\* \$1500 per treatment.

*\*body is one treatment area, e.g. buttocks, thighs, stomach*

Treats aging skin by using a focused radio-frequency energy to strengthen collagen in your skin for a smooth and sleek look.

## IntraGen

\$500 per treatment

RF technology stimulates your bodies natural collagen by sending a current deep into the subcutaneous tissue. You start to have tightening in 4-6 weeks, with results lasting up to 6 months.

Suggested protocol is every 4 months! (Jolene's favorite, add a salt facial to this!)

## Pain Management

**Zimmer Z Wave \$50 per area**

The Z Wave uses radial pulse therapy for treatment of chronic and acute pain. The energy treats muscle pain and helps to increase circulation in the target tissue. Most treatments take less than 10 minutes per session. On average, radial pulse therapy is performed once or twice a week for a total of 5-6 sessions.

## Cellulite Reduction

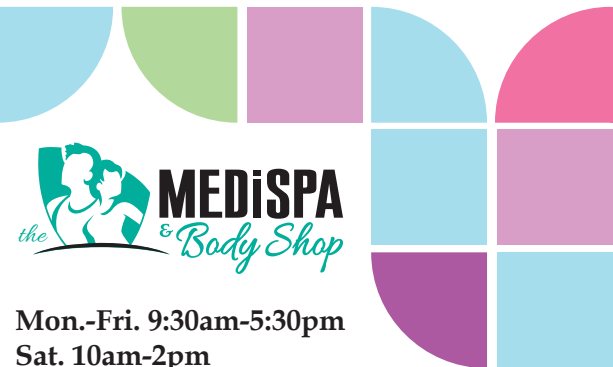

**Ten Z Wave treatments and 3 of our medical grade body wraps in 4 weeks \$1500**

Radial sound elongates the collagen band that causes cellulite. This treatment improves elasticity, tightness, texture and dimpling!
